

# **List of individual members of China Securitization Forum ( As of September 10, 2015 )**

**Note:**

**This list of individual members only includes individual members agreed to disclose their information. As CSF has established its online Application & Login system for membership, this list will not be updated in advance.**

**If you haven't been approved as an individual member of CSF yet, please enter "Application & Login for Individual Members" system to apply for membership. If you have been approved as an individual member of CSF through submitting paper-based application, you still need to register in "Application & Login for Individual Members" system again, the reasons are as followings:**

- 1. After registering online again and receiving the letter of confirmation, you can enter "My Account" system to refer to list of members updated automatically, edit your personal information, add or manage contact person, send messages, etc.**
- 2. 2016 CSF Annual Conference to be held on April 7-9, 2016 will only be open to CSF members. If you haven't registered in this system, you will not be able to register to attend this Annual Conference.**
- 3. Your registration will be helpful to CSF's more digitized and standardized management, and therefore to promote CSF to provide more comprehensive and convenient service for you.**

**Please refer to this link (<http://www.chinasecuritization.org/en/3/institutional-membership.html>) to apply as an institutional member.**

**Please refer to this link (<http://www.chinasecuritization.org/en/3/individual-membership.html>) to apply as an individual member.**

**After registering online and receiving the letter of confirmation, you can enter "My Account" system to refer to the list of members updated automatically, edit personal information, add or manage contact persons, send messages, etc.**

**CSF has already begun to organize its Board and Member Committees. Institutional members have voting rights and rights to be elected, while individual members do not enjoy these rights. Please register in "Application & Login for Individual Members" system. We welcome you to follow the WeChat official channel to know about CSF's activities and learn from professional articles published by CSF.**
